Charles Baker

Studied languages and then law at Cambridge University. After serving articles with Clifford-Turner & Co he qualified as a solicitor in 1974 and subsequently joined Holman, Fenwick & Willan, becoming a partner in 1978. He opened and ran HFW's Paris office for over three years. In 1989 he set up Herbert Smith's Shipping and International Trade section and in 1999 joined Lawrence Graham as a partner. He joined the North of England P&I Club in 2003 and works in their FD&D department, concentrating mainly on disputes under charterparties/bills of lading, and under ship and offshore construction contracts and MOA's.

During his 30 years in private practice, he was at all times involved with arbitrations under shipping and international sale of goods contracts. He has acted as arbitrator in various charterparty disputes and also in two major ICC arbitrations involving international sale disputes.

Has spoken at a number of international maritime or arbitration seminars on four continents and is the author of articles in journals such as Lloyd's Maritime & Commercial Law Quarterly, Le Droit Maritime Français, etc.

Languages: Fluent French, Norwegian and German.

Belinda Bucknall Q.C.
M.A. (OXON)

Studied law at Oxford, studied for the Bar and after qualifying became a member of Sir Barry Sheen's chambers, then at 2 Essex Court (now Quadrant Chambers) one of the leading Admiralty sets.

She took Silk in 1988. She is a Deputy High Court judge in Admiralty, a Crown Court Recorder, a CEDR trained mediator, a supporting member of the LMAA, a Lloyd's Form Salvage Arbitration panellist and a member of a number of other arbitration and mediation groups including the Royal Aeronautical Society's arbitration scheme. Though maintaining her barrister's practice certificate, she is now concentrating on her practice as an arbitrator and mediator

Her practice at the Admiralty Bar has involved the full range of "wet" and "dry" shipping work, including marine insurance, ship and luxury yacht construction, death and personal injury work arising out of accidents on board maritime structures, as well as general commercial and

construction work and some aviation work. She is particularly able to deal with document-heavy cases and cases involving technical expertise. She has a working knowledge of French and some Italian

She took Silk in 1988. She is a Deputy High Court judge in Admiralty, a Crown Court Recorder, a CEDR trained mediator, a member of a number of arbitration and mediation groups including the newly formed Royal Aeronautical Society's arbitration scheme and a Lloyd's Form Salvage Arbitration panellist.
